CREATIVE WORKSHOPS

## Health and Safety Policy

Updated January 2026

Sketchbook Creative Workshops is committed to providing safe and well-managed learning environments for children, families and staff.

We take practical steps to ensure every class is delivered safely and responsibly.

*Across our art clubs and holiday clubs:*

- Risk assessments are carried out for venues and activities
- Children are supervised at all times
- Clear sign-in and sign-out procedures are followed
- Age-appropriate materials and equipment are used
- First aid provision is in place at all sessions
- Emergency and fire procedures are followed at every venue

If your child has any specific health or medical information you would like us to be aware of, please share this at the time of booking.
